

How to reach JIca Lawyers & As from the Airport:

1. When you come out of Alicante airport, take the direction Alicante Sur El Altet on the N-332 main road.

2. After approximately one kilometre, take the right hand exit off the N-332 in the direction Santa Pola Cartagena.

3. After five kilometres you will see a large sign indicating the "Gran Alacant Urbanizaciones". Take this exit.

4. Go over a level crossing. Next you will come to a roundabout. Go straight over the roundabout, and the road will then go uphill.

5. One kilometre further on there is another roundabout, where you will see a sign indicating the JLCA & As.-Lawyers office. It is located on the top part of the signs on the right hand side. Take the right-hand exit.

6. Continue straight on for about 500 metres, and after you have passed the BBVA Bank, and several restaurants, you will see the JLCA & As.-Lawyers sign to your right.

7. Turn right, and the office entrance is found at the back.
